FORMULA 522RW

SMOKE & ODOR RESTORATION WIPES

Product Description

Sentinel 522 Smoke & Odor Restoration Wipes are a professional strength, odor control product used to destroy odors commonly associated with restoration projects like smoke and damp musty odor. Sentinel 522 Wipes can be used to clean odors from hard surfaces like floors, walls, ceilings, appliances, outlet covers and receptacles, door and window trim and other surfaces. Each towel is pre-soaked with Sentinel 522 Smoke & Odor Cleaner & Destroyer and is ready to use.

Application Information (Always follow product label instructions for best results)

Usage Guidelines:

Read directions thoroughly prior to use. 522 Restoration Wipes are designed for the hand cleaning of objects and surfaces that cannot be effectively bucket washed or sprayed. These wipes work well for cleaning furniture and items with lots of surfaces or hard to clean areas. It is recommended to wear protective gloves when using this product.

Directions For Use:

Use Sentinel 522 Restoration Wipes to clean surfaces like furniture, outlets, light fixtures, appliances, or other items that cannot be bucket washed. Simply remove wipe from bucket and wipe down item-/surface. Flip wipe over after first side becomes dirty and wipe with clean side.

Dispose of spent wipe in accordance with restoration cleaning procedures.

PROPERTIES
