V.O.C.-COMPLIANT  
FAST-ACTING  
QUICKLY EVAPORATES

### PRODUCT DESCRIPTION:

SENTINEL 787 Adhesive, Seam & Spot Cleaner is a fast-acting, high-strength remover, specially formulated to remove adhesive spots and grease from carpets, vinyl, and wood flooring. Works great as a seam cleaner for carpet and vinyl floor seams and for cleaning and degreasing metals.

### DIRECTIONS :

(Always follow product label instructions for best results and test a small area first.)

#### To remove small glue spots and stains on carpet or wood floors:

Apply Sentinel 787 to clean towel, rag or microfiber towel and wipe onto glue stain, haze or fingerprints. If glue has dried, allow 787 to penetrate and soften glue. Wipe spot until glue is gone, removing all adhesive residue. Turn cloth frequently, using a clean area each time to wipe the stain or spot. Allow floor to dry completely before walking on.

#### To clean vinyl floor seams:

Apply 787 to microfiber towel or clean rag and wipe seam clean. Wipe 787 clean with a dry towel to prep seams for sealing.

#### To remove carpet seam glue:

Simply wipe seam with 787 on a clean rag or cloth to remove residue. Wipe dry with clean cloth or rag.
