

## FORMULA 522

# SMOKE & ODOR CLEANER & DESTROYER

### Product Description

Sentinel 522 Smoke & Odor Cleaner & Destroyer is a concentrated, biodegradable, water based product uniquely formulated to clean and degrease soils and stains while removing all types of malodors. Sentinel 522 can be used on all types of restoration and remediation projects such as fire/soot, water, sewage, feces/urine, petroleum spills, bio hazard, hoarding and pet/organic odors. Sentinel 522 can be applied with a variety of applicators such as sprayers, foamers and foggers.

**Application Information** (Always follow product label instructions for best results)

#### Usage Guidelines:

Sentinel 522 can be used for both indoor and outdoor cleaning applications. It is suitable for hard and soft surfaces such as floors, walls, ceilings, carpets, upholstery, building contents and other surfaces. For best results, follow dilution guidelines and mix only with water.

#### Dilutions:

Light Soils: Mix 2-4 oz. of 522 per gallon of water

Medium Soils: Mix 6-8 oz. of 522 per gallon of water

Heavy Soils: Mix 8-16 oz. of 522 per gallon of water

#### Directions For Use:

Read directions thoroughly prior to use. Test in a small inconspicuous area prior to using on surfaces to be cleaned to ensure desired results. Sentinel 522 can be applied with a pressure washer, pump sprayer, foamer, ULV fogger or in bucket washing applications. Mix product in applicator and apply solution onto surface. Ensure all affected areas come into contact with cleaning mixture. Allow product to soak for a few minutes when removing tougher stains and soils. Agitate the affected surface with a brush or sponge and rinse with clean water.

For ULV Fogging: Use equal parts Sentinel 522 to water or up to 1 part sentinel 522 to 4 parts water depending on the severity of odors being destroyed.

#### PROPERTIES

Physical state: Liquid

Appearance: Clear

Color: None

Odor: Fresh

pH: 8.0-9.0

Boiling Point: >212° F.

Flash Point: None to boiling
