pH 5.5 - 7.0

PROFESSIONAL RESTORATION PRODUCTS

Sentinel 505 Smoke & Odor Laundry Wash is a concentrated smoke & odor removing cleaner used to wash and remove strong smoke odors from clothes and other machine-washable items. Use Sentinel 505 in place of your usual laundry detergent or as a pre-treater for tough odor-causing stains.

Usage Guidelines: Read directions thoroughly prior to use. Test materials prior to use to ensure desired results and to make sure that materials are colorfast. Add Sentinel 505 to machine as you would your laundry detergent. Wash dark colors in cold water. For lighter colors or whites, use warm or cold water. 505 has a pH of 5.5 - 7.0.

Directions for Use: (For Professional Use Only.)

For general smoke odors use two (2) ounces per load of laundry and machine wash as you normally would. For strong or heavy smoke odors, use eight (8) ounces per load and machine wash.

Sentinel 505 can also be used to pre-treat stains and heavily-soiled clothing and washables prior to washing. Pour a small amount of 505 onto stain and rub into stain. Machine wash. For soaking: Add two (2) ounces of Sentinel 505 to five gallons of water and soak clothes prior to washing.
