**PRODUCT DESCRIPTION**

SENTINEL<sup>®</sup> 828 SUPER SOY EQUIPMENT CLEANER is uniquely formulated for removing dirt, taconite and coal dust, grease, oils, light lubricants and most soils found in the automotive, construction and mining industry. 828 has high sudsing properties that make it ideal for touchless wash systems. A soy based solvent, integrated in to the formula makes it superior at cleaning tough to remove oils and road films.

**DIRECTIONS**

828 may be applied by foaming, high pressure washers or manually applied with brushes. Dilutions may range from using the product in full concentrate for the toughest of jobs, at 1 to 1 dilution for foaming or manual applications, 20-100 to 1 for applying through a high pressure sprayer. Apply or soak as needed. If residue is extremely thick, apply and allow to soak for up to 30 minutes. Rinse with water under pressure.

**WARRANTY NOTICE**

Seller makes no warranty, expressed or implied, nor accepts any responsibility for any direct or consequential damages beyond purchase price because seller cannot control users handling, use or effect of that use.
