

FORMULA 787

ADHESIVE, SEAM & SPOT CLEANER

V.O.C. COMPLIANT / FAST ACTING / QUICKLY EVAPORATES

Product Description

Sentinel 787 Adhesive, Seam & Spot Cleaner is a fast-acting, high-strength remover, specially formulated to remove adhesive spots and grease from carpets, vinyl, and wood flooring. Works great as a seam cleaner for carpet and vinyl floor seams and for cleaning and degreasing metals.

Application Information (Always follow product label instructions for best results)

DIRECTIONS:

Test a small area for colorfastness prior to use.

REMOVING SMALL GLUE SPOTS AND STAINS ON CARPET OR WOOD FLOORS:

Apply Sentinel 787 to a clean towel, rag or microfiber towel and wipe onto glue stain, haze or fingerprints. If glue has dried, allow 787 to penetrate and soften glue. Wipe spot until glue or stain is gone, removing all adhesive residue. Turn cloth frequently, using a clean area each time to wipe the stain or spot. Allow floor to dry completely before walking on.

TO CLEAN VINYL FLOOR SEAMS:

Apply 787 to microfiber towel or clean rag and wipe seam clean. Wipe 787 residue on vinyl surface with a damp towel. Allow to dry.

TO REMOVE CARPET SEAM GLUE:

Wipe seam with 787 on a clean rag or cloth to remove residue. Turn cloth frequently to expose clean areas for wiping. Allow to dry.

COVERAGE:

Expect coverage rates of 35-50 sq. feet per quart.

V.O.C. CONTENT:

This Floor or Wall Covering Adhesive Remover contains less than 5% V.O.C. content by weight, in accordance with the requirements set forth by the California Air Resource Board (CARB) and Ozone Transport Commission (OTC), effective 1-1-2009.

WARRANTY NOTICE:

Seller makes no warranty, expressed or implied, nor accepts any responsibility for any direct or consequential damages beyond purchase price, because seller cannot control users handling and use or effect of that use.

PROPERTIES

Physical state: Liquid
