

**FORMULA 315**  
**SMOKE & SOOT CLEANER/WASH**

POWERFUL CLEANER / NON-CAUSTIC / CONCENTRATED

**Product Description**

Sentinel 315 Smoke & Soot Cleaner/Wash is a concentrated, water-based, biodegradable cleaner and degreaser that is specifically formulated to clean up smoke residues. Sentinel 315 works effectively on fire restoration projects as a hard surface and structural cleaner and degreaser.

**Application Information** (Always follow product label instructions for best results)

**Restoration Cleaning Process:**

Sentinel 315 Smoke & Soot Cleaner/Wash is used as the first step when cleaning soot, smoke residues and soils from walls, ceilings and other building surfaces. After the surfaces have been cleaned with Sentinel 315, use Sentinel 531 Smoke & Odor Counteractant or Sentinel 522 Smoke & Odor Destroyer to rid the space of unwanted odors.

**Usage Guidelines:**

Read directions and review sds prior to use. Test in a small inconspicuous area prior to using on soft goods and fabrics to assure desired results.

**Directions For Use:**

Use Sentinel 315 straight for the toughest cleaning jobs or dilute 1 part 315 with up to 10 parts water. Mix solution in a bucket and apply onto surface with brushes, sponges and rags, scrub surface until clean. Dilution rates can be adjusted as needed for lighter soils or for general purpose cleaning & degreasing.

Sentinel 315 Smoke & Soot Cleaner/Wash can be used in low pressure sprayers as well as in pressure washer applications. Apply mixed solutions with a sprayer to affected surfaces and rinse as needed. Allow product to dwell for a few minutes before rinsing.

**PROPERTIES**

- Physical state: Liquid
- Appearance: Clear
- Color: Green
- Odor: Lemon Lime
- pH: 11-12
- Boiling Point: >212° F.
- Flash Point: None to boiling

HAZARD RATING: HMIS
