SMOKE & SOOT CLEANER/WASH

5 U.S. Gallon (18.93L)

PRODUCT DESCRIPTION | **DIRECTIONS**

Sentinel 315 Smoke & Soot Cleaner/Wash is a powerful cleaner that is highly concentrated and safe to use. Sentinel 315 works great on restoration jobs as a wash for cleaning carbon, soot and other residues commonly found after fires and other disasters. Sentinel 315 can be mixed in varying strengths based on the cleaning needs of the job.

Sentinel 315 can be used to clean carbon and soot from most surfaces including structural surfaces, finished surfaces, soft goods and building contents.

WARRANTY NOTICE

Use strictly in accordance with instructions for use. Buyer assumes all responsibility for safety and use not in accordance with label instructions. Seller cannot control user's handling, use, or effect of use and therefore makes no warranty, expressed or implied, nor accepts any direct or consequential damages beyond the purchase price.

Read directions thoroughly prior to use. Test in a small, inconspicuous area prior to using on soft goods, fabrics and all finished surfaces to ensure desired results. Do NOT use if color transfers or is altered.

Dilutions:

Light Soils: 2 - 4 ounces per gallon of clean water.
Medium Soils: 6 - 8 ounces per gallon of clean water.
Heavy Soils: 8 - 16 ounces per gallon of clean water.

Sentinel 315 can be applied with a pressure washer, pump sprayer, foamer, or can be used in a bucket washing application. Mix product and clean water in applicator and apply solution to the surface. Allow product to soak for a few minutes when removing tougher stains and soils. Agitate the affected surface with a brush or sponge and rinse with clean water.

DANGER

(Contains: Water, Surfactant Blend, 2-(2-butoxyethoxy)ethanol, Ethylenediaminetetraacetic acid, tetrasodium salt, Sodium Metasilicate Pentahydrate, Sodium Carbonate)

HAZARD STATEMENTS: Causes serious eye damage.

PRECAUTIONARY STATEMENTS: Wash hands thoroughly after handling. Do not touch eyes. Wear eye protection/face protection, protective gloves. IF IN EYES: Immediately rinse with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. Get medical help.

FIRST AID NOT FOUND IN PRECAUTIONARY STATEMENTS: IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical help. Take off contaminated clothing and wash before reuse. IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. If vomiting occurs spontaneously, keep head below hips to prevent aspiration. Get medical advice/attention promptly.

HANDLING AND STORAGE: Do not handle until all safety precautions have been read and understood. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapor. Do not breathe mists. Keep only in the original container in a cool, well ventilated place away from: Heat sources. Keep container closed when not in use. Do not allow product to freeze as container may burst. Dispose of contents/container to licensed waste handling facility.
