# MULTI-PURPOSE CLEANER & DEGREASER

5 U.S. Gallons (18.93L)

**PRODUCT DESCRIPTION**

Sentinel 317 Multi-Purpose Cleaner & Degreaser is a powerful, biodegradable, alkaline, water soluble cleaner and degreaser designed for a wide range of cleaning applications. This non-corrosive, non-VOC formula is phosphate free and contains no fragrances or dyes.

Sentinel 317 is an excellent cleaner for all types of abatement, remediation, and restoration projects. It can be used for fire/water damage restoration, odor, and general cleaning and degreasing as well as to clean the residue after flooring adhesive/mastic removal. Multi metal safe, Sentinel 317 can be used for coil cleaning. Highly concentrated, it can be diluted for simple soils as well as used up to full strength for the toughest carbon and soot build up, greases, and oils. Sentinel 317 is safe to use on most structural and finished surfaces.

**WARRANTY NOTICE**

Use strictly in accordance with instructions for use. Buyer assumes all responsibility for safety and use not in accordance with label instructions. Seller cannot control user's handling, use, or effect of use and therefore makes no warranty, expressed or implied, nor accepts any direct or consequential damages beyond the purchase price.

**DIRECTIONS**

Read directions thoroughly prior to use. Test in a small, inconspicuous area prior to using on soft goods, fabrics and all finished surfaces to ensure desired results. Do NOT use if color transfers or is altered.

**DIRECTIONS CONTINUED**

**Dilutions:**

Light Soils: 4 - 6 ounces per gallon of clean water.  
Medium Soils: 8 - 10 ounces per gallon of clean water.  
Heavy Soils: 12 - 14 ounces per gallon of clean water.  
Heaviest Soils: 16 - 20 ounces per gallon of clean water.

**General Cleaning Directions:** Mix desired concentration of Sentinel 317 with 1 gallon of water. Apply with all types of manual and automatic sprayers, sponges, cloths, or mops depending on cleaning process and needs. Allow to soak for 1 - 5 minutes. For best results agitate the surface with a brush or sponge and wipe off or rinse with clean water.

**Coil Cleaning:** Use 8 -10 ounces of Sentinel 317 per gallon of water. Make sure power to all units is shut off and lockout/tagout has been performed before cleaning HVAC systems. Clean surfaces of all loose dirt and debris. Apply product to coils using a trigger sprayer or low pressure sprayer/pressure washing applicator. Apply mixed solution to the coil or condenser from the bottom up. Allow to soak for a few minutes before rinsing with water.

**Asphalt Adhesive Residue Removal:** Mix 8 ounces of Sentinel 317 with 1 gallon of hot water. Pour mixture on the floor to be cleaned. Use a broom, manual stripper pad or rotating floor scrubber with stripper pads to scrub the floor until clean. Wash and rinse the floor, changing the water as needed to ensure a clean surface. Allow to dry for at least 24 hours and test moisture levels before reflooring.

**DANGER**

(Contains: Water, Surfactant Blend, 2-(2-butoxyethoxy)ethanol, Ethylenediaminetetraacetic acid, tetrasodium salt, Sodium Metasilicate Pentahydrate, Sodium Carbonate)

**HAZARD STATEMENTS:** Causes serious eye damage.

**PRECAUTIONARY STATEMENTS:** Wash hands thoroughly after handling. Do not touch eyes. Wear eye protection/face protection, protective gloves. IF IN EYES: Immediately rinse with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. Get medical help.

**FIRST AID NOT FOUND IN PRECAUTIONARY STATEMENTS:** IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: Get medical help. Take off contaminated clothing and wash before reuse. IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. If vomiting occurs spontaneously, keep head below hips to prevent aspiration. Get medical advice/attention promptly.

**HANDLING AND STORAGE:** Do not handle until all safety precautions have been read and understood. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapor. Do not breathe mists. Keep only in the original container in a cool, well ventilated place away from: Heat sources. Keep container closed when not in use. Do not allow product to freeze as container may burst. Dispose of contents/container to licensed waste handling facility.
