EASY-TO-USE

SMOKE & ODOR  
COUNTERACTANT

5 U.S. Gallons (18.927L)

PRODUCT DESCRIPTION

Sentinel 531 Smoke & Odor Counteractant is a professional strength odor control product used to eliminate odors commonly associated with restoration projects like smoke and damp, musty odors. Sentinel 531 can be used as an odor control additive to remove odors from hard surfaces as well as soft goods and other materials. Sentinel 531 is non-flammable and non-hazardous and can be used as part of a professional restoration cleaning process without the concerns normally associated with other flammable odor control products. Sentinel 531 has a pH of 7.0 - 8.0.

USAGE GUIDELINES

Read directions thoroughly prior to use. Test in a small inconspicuous area prior to use on soft goods and fabrics to ensure desired results. Sentinel 531 is safe for both cold and thermal fogging applications.

DIRECTIONS

Dilute Sentinel 531 before using by mixing 3 ounces of 531 with water to make 1 gallon of solution. For additional odor control or for use on charred wood, mix up to 12 ounces of 531 with water to make 1 gallon of solution. Solution is ready to use when it is thoroughly mixed.

Apply mixed solution with a low pressure sprayer to affected surfaces. Spray surfaces until they appear saturated. For mechanical fogging applications, apply in accordance with existing process or standards.

**DANGER** (Contains: Surfactant Blend, Sodium xylenesulfonate, Fragrance)

**HAZARD STATEMENTS:** Causes skin irritation. Causes serious eye damage. May cause an allergic skin reaction.  
**PRECAUTIONARY STATEMENTS:** Avoid breathing mist/vapors/spray. Contaminated work clothing should not be allowed out of the workplace.
