SURFACTANT WETTING AGENT

5 Gallons (18.927L)

PRODUCT DESCRIPTION

Sentinel 840 Surfactant Wetting Agent is formulated to penetrate and wet-out fibrous asbestos prior to removal. 840 saturates ACM to reduce the release of fibers and dust during removal. Coverage will vary based on nature of substrate and should not be applied to surfaces below 32°F or higher than 212°F.

WARRANTY NOTICE

Seller makes no warranty, expressed or implied, nor accepts any responsibility for any direct or consequential damages beyond the purchase price, because seller cannot control user's handling and use or effect of use.

DIRECTIONS

Observe all regulations mandated by OSHA and EPA Guidelines, and adhere to all Federal, State, and local regulations regarding the removal of asbestos-containing materials.

Dilution: Sentinel 840 can be used full strength or diluted with up to twenty (20) parts water to one (1) part Sentinel 840.

Spray Application: Product can be applied with most spray equipment using low pressure rates for best coverage, while still atomizing the product. Air monitoring results should be used to determine acceptable fiber count levels. Respray as needed to ensure penetration and saturation of ACM.

Clean Up: Clean equipment with fresh water.

DANGER

(Contains: Water, Surfactant)

HAZARD STATEMENT: Causes serious eye damage.

PRECAUTIONARY STATEMENTS: Wash hands thoroughly after handling. Wear eye protection. If IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. Immediately call a POISON CENTER or doctor/physician. In case of fire: Use dry chemical, foam, CO2 for extinction. Store in a well-ventilated place. Keep container tightly closed. Store locked up. Dispose of contents/container to licensed waste handling facility.

FIRST AID NOT FOUND IN PRECAUTIONARY STATEMENTS: IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell. IF ON SKIN: Immediately remove all contaminated clothing and rinse skin with water. Follow by washing with soap and water. If skin irritation occurs, get medical advice/attention. Wash contaminated clothing before reuse. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. If vomiting occurs spontaneously, keep head below hips to prevent aspiration. Get medical advice/attention promptly.

HANDLING AND STORAGE: Do not handle until all safety precautions have been read and understood. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapor. Do not breathe mists. Keep only in the original container in a cool, well ventilated place away from: Heat sources. Keep container closed when not in use.

FOR INDUSTRIAL USE ONLY KEEP OUT OF REACH OF CHILDREN REFER TO SDS FOR MORE INFORMATION
