# ODOR PUCK

FORMULA

**522**

## WASTE TANK ODOR ELIMINATOR WITH FOAM CONTROL

**Product Description:** Sentinel 522 Odor Puck is a water soluble solid block designed to eliminate odors and control foam from the waste water of most truck mounts, portable extractors and auto scrubbers.

**Directions:** Place the 522 Odor Puck in the filter basket, mesh sock\* or directly in water off the waste tank. The Odor Puck will slowly dissolve in the waste water eliminating odors and controlling foam. Once the Odor Puck has dissolved and shrunk down to a 1" diameter add a new Odor Puck to continue odor elimination and foam control.

\* When using a mesh sock make sure it is securely tied down within the waste tank. \*\* Puck dissolving times will vary depending on water temperature, soil contaminant level and other environmental factors.

### WARNING

(Contains: Proprietary Fragrance Blend)

**HAZARD STATEMENT:** Causes skin irritation. May cause an allergic skin reaction. Causes serious eye irritation

**PRECAUTIONARY STATEMENTS:** Contaminated work clothing should not be allowed out of the workplace. Wash hands thoroughly after handling. Wear protective gloves. **IF ON SKIN:** Wash with plenty of soap and water. If skin irritation or rash occurs, get medical attention. Take off contaminated clothing and wash before reuse. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do so. Continue rinsing.

If eye irritation persists, get medical attention. Dispose of container to licensed waste handling facility. REFER TO SDS FOR MORE INFORMATION
