

522 SMOKE & ODOR RESTORATION WIPES

Sentinel 522 Smoke & Odor Restoration Wipes are a professional strength odor control product used to clean and destroy odors commonly associated with restoration projects like smoke and damp, musty odors. Convenient and ready to use, these wipes are ideal for job site without access to water, or for contents and surfaces that cannot be bucket washed. Sentinel 522 Restoration Wipes can be used to clean and remove odors from hard surfaces like floors, walls, ceilings, appliances, outlet covers and receptacles, door and window trim and other surfaces. 522 Restoration Wipes are presoaked with a Sentinel 522 Smoke & Odor Cleaner & Destroyer solution in a 3 gallon bucket. The towel is a premium, 10"x13", hydroknit cellulose and polypropylene blend.

Application Information (Always follow product label instructions for best results)

USAGE & STORAGE GUIDELINES

Read directions and review Safety Data Sheet before use. Test in a small inconspicuous area before use to ensure colorfastness where that may be of concern.

Wear protective gloves when using this product.

Store closed container in temperatures below 90°F.

DIRECTIONS

Break tab on the side of the pail and remove the lid. From the center of the roll, pull up corner of the first towel, twist to a point and thread through the slot on the underside of the lid. Firmly push the lid back on the pail. Open cap on the pail lid and tear off towel at perforation.

Wipe all surfaces, including ceilings, walls, floors, windows, doors, fixtures, cabinets, etc, until clean. Fold contaminated towel surface onto itself and wipe with clean side. Each clean towel surface can be used to clean up to 4 sq. feet of surface.

Dispose of soiled towel.

WARRANTY

Seller makes no warranty, expressed or implied, nor accepts any responsibility for any direct or consequential damages beyond purchase price, because seller cannot control users handling and use or effect of that use.
