## WITH HYDROGEN PEROXIDE

### PRODUCT DESCRIPTION:

Sentinel 300 EnviroTowels with Hydrogen Peroxide is a professional strength, biodegradable, presoaked towel that is designed to clean and remove organic stains, soils and odors such as mold, mildew, carbon, soot, urine, feces and vomit. Sentinel 300 EnviroTowels are ideal for precleaning soils and surfaces before following with an EPA registered disinfectant.

### WARRANTY NOTICE:

Use strictly in accordance with instructions for use. Buyer assumes all responsibility for safety and use in accordance with label instructions. Seller cannot control user's handling use and therefore makes no warranty expressed or implied, nor accepts any direct or consequential damages beyond the purchase price.

### PRECAUTIONS

Not recommended for use on copper and brass. Do not mix with bleach or use on unlined surfaces previously cleaned with bleach.

### IMPORTANT PROPERTIES:

- Sentinel's unique surfactant package provides superior soil wetting.
- High foaming properties to lift and remove stain and soil residues.
- Versatile - effective on a wide range of surfaces
- Effective - removes mold & mildew as well as a variety of other stains.
- Safe shipping - Not DOT regulated.

### DIRECTIONS FOR USE:

Break tab on the side of the pail and remove the lid, from the center of the roll, pull up corner of the first towel, twist to a point and thread through the slot on the underside of the lid. Firmly push the lid back on the pail. Open cap on the pail lid and tear off towel at perforation. Test towel on an inconspicuous area of the surface to be cleaned to ensure desired results.

Wipe all surfaces, door knobs, walls, floors, windows, fixtures, cabinets etc. until clean. Towels can be reversed to expose the clean side of the towel. Dispose of soiled towel. Store container in temperatures below 90° F. Sentinel 300 EnviroTowels with Hydrogen Peroxide have a 2 year shelf life.

### DANGER (Contains: Hydrogen Peroxide, Surfactant)

HAZARD STATEMENTS: Causes serious eye damage.

PRECAUTIONARY STATEMENTS: Wash hands thoroughly after handling. Wear eye protection/face protection. IF IN EYES: Immediately rinse with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. Get medical help. Dispose of contents/container to a licensed waste handling facility.

FIRST AID NOT FOUND IN PRECAUTIONARY STATEMENTS: IF SWALLOWED: Rinse mouth. If victim can swallow give several glasses of water. Do NOT induce vomiting. If vomiting occurs spontaneously, keep head below hips to prevent aspiration. Call a POISON CENTER or doctor/physician. IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: get medical advice/attention. Take off contaminated clothing and wash before reuse. IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

HANDLING AND STORAGE: Do not handle until all safety precautions have been read and understood. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapor. Do not breathe mists. Keep only in the original container in a cool, well ventilated place. Keep away from: heat sources. Keep container closed when not in use. Do not allow product to freeze as container may burst.
