HIGH STRENGTH READY TO USE PEROXIDE CLEANER

Mold & Mildew Stain Remover
Whitens & Brightens
Eliminates Odors

5 Gallons (18.927L)

PRODUCT DESCRIPTION

Sentinel 302 High Strength Ready To Use Peroxide Cleaner is a professional strength, biodegradable cleaner with the power of Hydrogen peroxide. Sentinel 302 is designed to remove mold & mildew stains and other biological stains/soils such as vomit, urine/feces, blood, and organic matter. The unique surfactants in Sentinel 302 provide superior wetting and foaming properties to lift and remove stains and soils from a variety of surfaces. Use on all types of remediation and restoration cleaning jobs. Safe for use on porous building materials such as timber, paneling, OSB, plywood, roof and wall sheathing, plaster, stucco, concrete, stone, masonry, and metals (not recommended for brass and copper).

WARRANTY NOTICE

Use strictly in accordance with instructions for use. Buyer assumes all responsibility for safety and use not in accordance with label directions. Seller cannot control user's handling, use, or effect of use and therefore makes no warranty, expressed or implied, nor accepts any direct or consequential damages beyond the purchase price.

DANGER

(Contains: Hydrogen Peroxide, Surfactant)

HAZARD STATEMENTS: Causes serious eye damage.

PRECAUTIONARY STATEMENTS: Wash hands thoroughly after handling. Do not touch eyes. Wear eye protection/face protection. IF IN EYES: Immediately rinse with water for several minutes. Remove contact lenses, if present and easy to do so. Continue rinsing. Get medical help. Dispose of contents/container to a licensed waste handling facility.

FIRST AID NOT FOUND IN PRECAUTIONARY STATEMENTS: IF SWALLOWED: Call a POISON CENTER or doctor/physician if you feel unwell. Rinse mouth. IF ON SKIN: Wash with plenty of soap and water. If skin irritation or rash occurs: get medical advice/attention. Take off contaminated clothing and wash before reuse. IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing. Call a POISON CENTER or doctor/physician if you feel unwell.

HANDLING AND STORAGE: Do not handle until all safety precautions have been read and understood. Wash hands and other exposed areas with mild soap and water before eating, drinking or smoking and when leaving work. Provide good ventilation in process area to prevent formation of vapor. Do not breathe mists. Keep only in the original container in a cool, well ventilated place. Keep away from: heat sources. Keep container closed when not in use. Do not allow product to freeze as container may burst.

USAGE GUIDELINES

Read directions prior to use. Safety Data Sheets are available at www.senpro.com. Use and store in temperatures between 40°F - 90°F. Always store upright, the vented lid can leak if the container is placed on its side. Follow good industrial hygiene practices and wear appropriate personal protective equipment including gloves, coveralls, and safety eyewear. Due to the level of Hydrogen peroxide in this product, contact with skin may temporarily lighten areas exposed to the product. Do not mix with bleach or use on unrinsed surfaces previously cleaned with bleach.

DIRECTIONS FOR USE

STEP 1: Remove loose dirt and debris from surfaces before applying Sentinel 302 High Strength Ready to Use Peroxide Cleaner.

STEP 2: Apply Sentinel 302 to the surfaces to be cleaned with a sprayer, mop, sponge, or rag.

STEP 3: Allow Sentinel 302 to dwell on the surface for 5-10 minutes. Sentinel 302 will begin to foam on contact with organic matter.

STEP 4: After the contact period, agitate the surface and layer of foam with a stiff bristle brush to remove loose soils.

STEP 5: Wipe and remove foam and soils from the surface with a sponge, rags, wet vac, or similar means.

STEP 6: Rinse as desired.
