BETTER SOLUTIONS FOR A CLEANER ENVIRONMENT

PRODUCT DESCRIPTION

Sentinel 522 Smoke & Odor Restoration Cleaning Wipes are a professional strength, odor control product used to destroy odors commonly associated with restoration projects like smoke and damp musty smells. Sentinel 522 can be used as an odor control additive to clean odors from hard surfaces like floors, walls and ceilings. Each towel is pre-soaked with Sentinel 522 Smoke & Odor Cleaner & Destroyer and is ready-to-use.

WARRANTY NOTICE

Seller makes no warranty, expressed or implied, nor accepts any responsibility for any direct or consequential damages beyond purchase price, because seller cannot control users handling, and use, or effect of that use.

ELIMINATES ODORS
EASY-TO-USE

DIRECTIONS

Break tab on the side of the pail and remove the lid. From the center of the roll, pull up corner of the first towel, twist to a point and thread through the slot on the under side of the lid. Firmly push the lid back on the pail. Open cap on the pail lid and tear off towel at perforation. Test towel on an inconspicuous area of the surface to be cleaned to ensure desired results. Wipe all surfaces, door knobs, walls, floors, windows, fixtures, cabinets, etc. until clean. Towels can be reversed to expose the clean side of the towel. Dispose of soiled towel.

FIRST AID

Eye Contact: Flush with water for 15 minutes while

holding eyelids open.

Skin Contact: Wash with soap and water. Remove contaminated clothes and DO NOT REUSE until cleaned.

Inhalation: DO NOT induce vomiting. If vomiting occurs, keep head below hips to prevent aspiration into lungs. CALL PHYSICIAN IMMEDIATELY.

Inhalation: Remove to fresh air or provide oxygen if breathing becomes difficult. Give artificial respiration if not breathing. Call for prompt medical attention.

HAZARD RATING: HMIS
